To,
Prof. Srabanti Bhattacharya,
Associate Professor,
Department of Geography,
Rani Birla Girls' College, Kolkata.

Madam,

I am pleased to invite you to Bankim Sardar College, on April 17, 2020 for inspection of our infrastructure in the Department of Geography and provide your valuable advice for the purpose of setting a Geography Laboratory which will be functional from the session 2020-21.

Kindly accept our request and please visit our Institution.

May I also take this opportunity to apprise you that our college is a College with Potential for Excellence (CPE) as conferred by the UGC. One of the important programme objective of the CPE Scheme of excellence is development of subject wise modular content development for e-learning delivery process. For the said purpose the college has designed and developed a learning management system (LMS) <https://bscadmission.in/LMS/> as submitted in the CPE plan and as approved by the UGC.

I request you to kindly develop modular content for the LMS for Geography Hons and Gen. Modules as developed by you will be of great help to the students of this college. As suggested by the Department of Geography kindly develop module in the following areas.

1. Isostasy: Models of Airy and Pratt
2. Plate Tectonics as a unified theory of global tectonics: Processes as landforms at plate margins and hotspots
3. Folds and Faults:- origin and types
4. Map Projection: Basic Concepts
5. Map Projection: Classification and types
6. Discrete and continuous data, population and samples, scales of measurement (nominal, ordinal, interval and ratio)
7. Sampling: Need, types, significance, and methods of random sampling
8. Central tendency: Mean, median, mode, and partition values
9. Measures of dispersion range, mean deviation, standard deviation and coefficient of variation
10. Association and correlation: Product moment correlation and rank correlation
11. Regression: Linear and non-linear
12. Time series analysis: Moving average
13. Hypothesis testing: Chi-square test and T-test

Kindly see overleaf the tentative structure of a module for the Learning Management System.

Thanking you

Yours sincerely,

Respected Sir,

I am pleased to inform you that, I have completed developing the modular content for e- learning delivery process in the Learning Management System under the College with Potential for Excellence (CPE) scheme for the Department of Geography of your college.

I have tried to incorporate the significant components of the undergraduate Geography syllabus keeping the needs of students and teachers in mind.

I am submitting 13 modules as listed below:

UNIT NO	TOPIC
1	Isostasy: Models of Airy, Pratt, and
2	Plate Tectonics as a unified theory of global tectonics, stresses and landforms at plate margins and hotspot
3	Folds and Faults- origin and types
4	Map Projection: Basic Concepts
5	Map Projection: Classification and types
6	Discrete and continuous data, population and samples, scales of measurement (nominal, ordinal, interval and ratio)
7	Sampling: Need, types, significance, and methods of random sampling
8	Central tendency: Mean, median, mode and partition values
9	Measures of dispersion range, mean deviation, standard deviation and coefficient of variation
10	Association and Correlation: Product moment correlation and rank correlation
11	Regression: Linear and non- linear
